Venice MainStreet looks forward to 2021

By Sandra Di Fantina, Venice MainStreet President

Happy New Year! I am proud to serve as President of Venice MainStreet, incorporated for the 2021 year.

As we move into this new year, I'd like to extend a huge thank you to the outgoing Board President, Ronnie Fernandez, and the 2020 Board of Directors for their dedication, service and leadership over the past year, as well as to all of our extraordinary volunteers for giving of their time and talents to make the best of 2020, despite the challenges.

As I look ahead to the upcoming year, I am encouraged by the perseverance and resilience of the people of this community, that we can face and overcome whatever challenges that may be presented. Through the collective efforts of our Board and volunteers, I am confident we will continue to fulfill MainStreet's mission of ensuring historic preservation and economic vitality for this great City of Venice.

Thank you for allowing me to serve alongside you this year. I truly appreciate your support and encourage you to share any feedback and ideas you may have as we work together to make the best of 2021. Contact Venice MainStreet at info@venicemainstreet.com.

By Kara Morgan, Venice MainStreet CEO

Happy New Year and best wishes for you and your family in 2021. Venice MainStreet saw many encouraging signs of a fresh start for 2021. We are hopeful that through growing widespread distribution of the COVID-19 vaccine we will see an end to the global pandemic. Locally, our beautiful city by the Gulf has come together to continue beautification efforts, historic preservation projects, and innovative economic growth.

Venice MainStreet wants to thank all of our partners, volunteers, and Board of Directors for their support and hard work during many difficult months. I would also like to thank the staff at the Venice MainStreet office for their talent and professionalism this year. I applaud each of you.

It is through the combined efforts of all that Venice MainStreet continues to succeed as a local nonprofit organization and fulfill our mission to the community as a driver of economic success for Venice. I look forward to many projects and successes in 2021 and I hope to see you all "on the scene!"

Thank you to our 2021 Sponsors for your support
